The partnership between Covenant Christian Academy and the parents of CCA students is perhaps the most important element in the total education experience. Therefore, please read the following Commitment and indicate agreement and support by signing and dating this form.

I, as parent/guardian, understand that the Word of God clearly places the responsibility for the education of children on the parents. I am placing my trust in Covenant Christian Academy to help me fulfill this responsibility.

I have made a thorough investigation of the schools' philosophies and policies by reading the Student/Parent Handbook and conversing with school personnel. I pledge to make them my glad-hearted choice for the coming school year.

I agree to support the members of the Covenant Christian Academy faculty, staff, administration and Board of Directors. This support includes showing proper respect to all school personnel.

I understand that attendance at Covenant Christian Academy by my child is a privilege and not a right. This privilege may be forfeited by any student or parent who does not fit into the spirit of the school, regardless of whether or not the student conforms to the specific rules and regulations of the school.

It is our school's intention to always resolve conflicts in a Godly and biblical manner. We utilize a problem-solving policy based upon principles given in Matthew 18:15-16. Any question or complaint is to be handled by the people initially involved. If satisfaction is not attained at this level, then and only then, the problem is to be referred to the next highest level of authority. If, for example, a student has a complaint against a teacher, the proper line to follow is: student ⇒ teacher ⇒ principal ⇒ Board of Directors. The same expectation applies to parents, students or staff members handling problems with one another. Understanding these biblical principles, I agree to try to resolve all school-related conflicts by following this policy.

I agree to meet all of my financial obligations to Covenant Christian Academy, including paying tuition according to the arrangements I have made. I give permission for my child to take part in all school activities, including sports and school-sponsored trips away from the school premises. I agree to absolve the school from liability to my child or me because of any injury incurred at school or during any school activity. I understand that all school trips are part of the curriculum requiring my child to participate.

I agree that my child will uphold the standards of the school, including dress code standards; not using alcohol, drugs, or tobacco; or engaging in any acts of immorality. This Student Code of Conduct is in effect the entire time any student is enrolled as a Covenant Christian Academy. In other words, from the date of enrollment this policy is in effect 24 hours a day, 7 days a week, 365 days a year (24/7/365). This includes all on-campus and off-campus activities. If my child violates this Code of Conduct, I will notify the school administration immediately. If this violation takes place with another student, I will notify the student's parents in accordance with Matthew 18:15-16.

I trust the authority in the school to discipline my child as necessary. I further agree that I will cooperate and discipline my child in the home as needed. (Proverbs 13:24, 19:18, 22:6, 23:13-14, 20:15, 17; Colossians 3:20; Hebrews 12:6).

(Please keep this page for further reference)

I, as parent, now regularly attend a Bible believing church.

I give permission to Covenant Christian Academy to teach all elements of the Statement of Faith to my child. I am willing to support the school in its endeavors to encourage and guide my child in applying those principles to everyday living.

I agree that if I am no longer in a position to honor one or more of the above commitments, the only solution may be for the relationship between my home and Covenant Christian Academy to be terminated. In accordance with the spirit and teachings of God's Word, I commit that the termination of this relationship will be handled in a manner pleasing to our Lord and Savior, Jesus Christ.

I am in agreement with the Statement of Faith and with the Parental Commitment.

I agree to attend the New Family Orientations and my student will accompany me.

I agree that if for any reason, my child, as a new student, does not respond favorably to the school, I will not try to change the school to fit my child's needs, but will withdraw quietly without delay. (A six week period is usually adequate for most new students to adjust to this environment. Students who have not adjusted by the end of twelve weeks are to be withdrawn).

Write a brief statement of your personal relationship with Jesus Christ. You may be asked by the Admission Committee to discuss this in more detail.

Explain how to lead a child to Christ.

Student Code of Conduct

(Please keep this page for further reference)

The Purpose

The purpose for the Student Code of Conduct is to identify the necessary areas of commitment that a student must accept and follow in order to meet the educational and spiritual goals of Covenant Christian Academy. Each student needs to understand that his and her behavior, attitude and relationship with others add to the quality of the school community and Covenant Christian Academy reputation.

Biblical Expectations

We desire each student to use the Bible as a guide for dealing with life issues and relationships. The qualities of *love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control*, (Galatians 5:22-24) and, *whatever is admirable – if anything is excellent or praiseworthy – think about such things*, (Philippians 4:8) are scriptures for students to use in how they relate to each other and how they make decisions and choices in their lives.

Scripture tells us to stay away from certain behaviors. Students that love Jesus Christ should not participate in these behaviors and remove themselves from any situation if they occur. They include stealing, lying, gossiping, talking bad about someone, making fun of someone, cussing or using bad language, inappropriate public or private display of affection, drinking alcohol, wearing immodest clothing or acting immodestly, and being involved in any activities that do not honor Jesus. (Colossians 3:5-10, Ephesians 5:1-21, Matthew 4:10)

The Bible tells us to obey the laws of our community, the State of Ohio, and the Nation as that obedience means obeying God.

Covenant Christian Academy Expectations

We look forward to each student contributing positively to Covenant Christian Academy, using their gifts, talents and abilities to honor God and to encourage each other to become more like Christ. Our heart's desire is that each student will continue to grow in his or her walk with the Lord and develop a lifestyle that is based on God's truth and principles. School, family and church all play an important role in a student's journey. As a student of Covenant Christian Academy, it is expected that you will attend a Bible-believing church weekly to help you become the Christian God wants you to be. We encourage you, also, to be involved with your church's discipleship programs.

Living a Christ-honoring life means there are certain activities and products that a student needs to recognize are dangerous to your body and mind and not honoring to Christ. Covenant Christian Academy has identified these activities and products so there is a thorough understanding of the standards and expectations for each student. Please read these carefully and be sure you understand.

1. It is dangerous for people to use certain products. Therefore, students are not to use tobacco in any form, drink alcohol beverages, or use drugs that are not prescribed by a

doctor. None of the above items are ever permitted on campus or at any event or activity in any way connected with Covenant Christian Academy. Students are expected not to share or abuse medicines of any kind.

- If a student should be in a situation where tobacco, alcohol, or drugs are present, a student needs to remove her or himself from the situation or the student will be disciplined. It is the student's responsibility to show the desire NOT to be part of these actions or to let others think it is all right to do.
 - If a student is involved with tobacco, alcohol, or drugs, the administration will look at each situation on an individual basis and determine the discipline.
2. Gambling is giving or accepting money or other things as a result of betting. This activity is unacceptable and is viewed as an unwise use of the things God has given us.
 3. Because each person is important and a creation of God, each student is to be sensitive to special needs. Therefore, treating people badly or making fun of them because they have a different skin color, because they are from a different country, because they are a boy or a girl, or because they have a disability, is not acceptable.
 4. Weapons are not to be on school property or brought to a school activity.
 5. Vandalism or violence against property is not allowed.
 6. Students will show proper respect for members of Covenant Christian Academy's faculty, staff and administration.
 7. Students will not threaten to do harm to another person or do anything that will intentionally hurt another person. Students will not do mean things to other students. Students will treat boys and girls with respect. Bullying, either in person or on the internet will not be tolerated.
 8. A student's locker, book bag, and other belongings on school premises can be inspected (Ohio Rev. Code 3313.20)
 9. Students are not allowed to have photos, pictures or magazines that are improper and they are not to give them to anyone else. To guide students, they can ask the question, "Would I show this item to Jesus?"
 10. Being honest is the standard. Students will do their own schoolwork and be sure to give credit to sources when they write papers.
 11. Head phones, MP3 players, ipods, radios, personal CD players, etc. are not allowed on school grounds, school vehicles or when participating in a school sponsored activity off-campus. Personal cell phones are to be turned off and not to be used during the school day without permission from the school office personnel.
 12. It is our school's intention to always resolve conflicts in a Godly and Biblical manner. We solve problems based upon the way scripture tells us in Matthew 18:15-16. Any question or complaint is to be handled by the people initially involved. If the situation isn't worked out between these people, then and only then, the problem is to be taken to the next highest person in charge.
 13. Students are expected to follow the Dress Code explained fully in the Student/Parent Handbook.

Technology Use Guidelines

(Please keep this page for further reference)

Covenant Christian Schools provides students and faculty access to computer networks, Internet, software, E-Mail and wireless computing. It is our belief that these technologies enable students to explore thousands of libraries, and databases throughout the world. These capabilities are provided for three primary purposes.

1. The completion of academic and professional work
2. Enhance the teaching capabilities of faculty and the learning capabilities of students
3. Communication among members of Covenant Christian Academy and with the world beyond our walls

It has not been established as a public access or a public forum. The school has the right to place reasonable restrictions on the material accessed or posted, to require training before material is to be used and to enforce the rules set forth in the school handbook and the laws of the state of Ohio.

While on school campuses, users will be supervised by school faculty and staff. While the Covenant Christian Academy will make every reasonable effort to monitor and supervise activities to ensure they are appropriate educational uses of technology, we cannot guarantee that students will at all times be precluded from material that may not be suitable for their use. It is the responsibility of each user and their parent or guardian to honor the use restrictions of the school and help enforce appropriate use of the school's technology service and on-line access.

By this letter, Covenant Christian Academy is hereby providing notice to all administrators, teachers, staff, volunteers, students, and parents concerning the existence of potentially inappropriate materials so that they can take added precaution when providing students with information over the Internet or other on-line access services. The determination of inappropriate material is subjective in nature, but generally is considered any material that does not have a direct relation to the student's research or day-to-day use of such service. By signing the "Policies and Procedures Agreement Form" as the parent or legal guardian of the student named on that document, the parent or legal guardian is giving approval for their student to utilize these resources for the purpose of his/her educational program at the school. Concurrently, the parent or legal guardian is acknowledging that the student may have access that is not appropriate or related to the educational program. Please be advised that all students must sign the "Policies and Procedures Agreement Form" which acknowledges penalties ranging from suspension/termination of technology use to expulsion and criminal prosecution for violation of district policies and regulations regarding such use. Please read the following carefully before signing.

Student / Staff Use Contract

5. Access to many university libraries, Library of Congress
6. Future on-line services/interactive computing technology

Given the type of access that is available through the district's network, material that may not be considered to be of educational value within the context of the school setting may be accessible by students. Covenant Christian Academy has taken reasonable precautions to restrict access to controversial materials. However, on such networks, it is impossible to control all materials. The signatures on the "Policies and Procedures Agreement Form" are binding and indicate that the parties who have signed have read and agree to the terms and conditions and understand their significance.

VIOLATION OF THIS CONTRACT MAY RESULT IN DISCIPLINARY AND/OR LEGAL ACTION.
